Ouroboros

The word "Ouroboros" is rendered in a stylized, golden-yellow font with a black outline and a slight 3D effect. The letter 'S' at the end is cleverly designed to be the body of a yellow snake, which has a white eye and a small forked tongue. The snake's head is positioned at the top of the 'S'. At each end of the word, there is a cluster of purple, faceted crystals or gems. The background is a dark purple with a complex, web-like pattern of lighter purple lines, giving it a mystical or arcane appearance.
